## ROGERS CHARITY CLASSIC

CHAMPIONS

THE CAUSE

# MORE THAN A GOLF TOURNAMENT

The Rogers Charity Classic has stayed true to its mission of creating a platform to raise money for children and youth-based charities in Alberta. Thanks to the Patron Group, Rogers Communications, our other generous corporate partners, and the support of the community, this event has raised over \$150 million dollars since 2013.

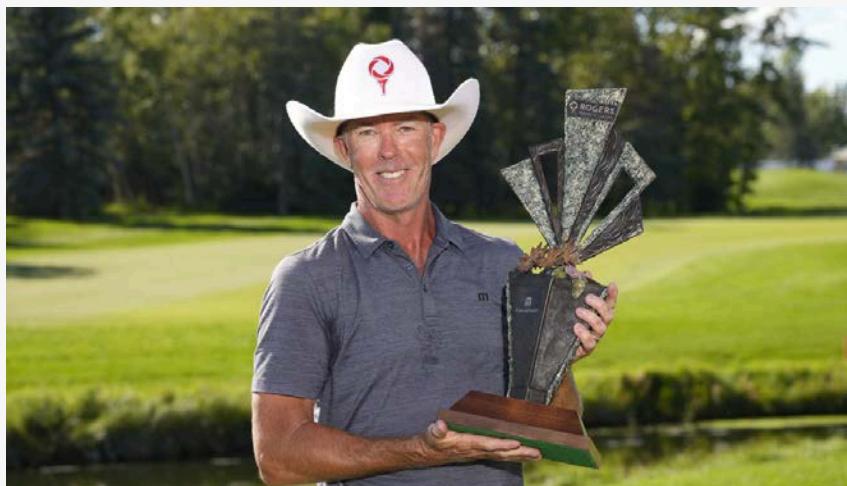

The Rogers Charity Classic is a family friendly event that is welcoming to all. Our diverse demographic includes: golf enthusiasts, families, young professionals, and sports-fans alike. The event has grown into so much more than just a golf tournament, with its ability to drive meaningful change in the community that positively impacts the lives of thousands of Alberta's youth.

With charitable giving being the heartbeat of the Rogers Charity Classic, the tournament has the power to rally the community like no other event in Canada. The growth and impact of the event is undeniable - both in the amount of money raised and in the number of charities supported.
